Responsibilities include: general housekeeping, also the Market Street area (including Butchers, Fishmongers and oven fresh produce).

Volunteering

In 2015 I started to help at the disco for DAFFODILS - Disabilities and Family Friendship Offering Dependent Integrated Life Skills. I played music that people requested and checked for clean or radio edits to see if we could play it. I also supported the younger members by encouraging them to learn new skills like helping people who are not happy and if they are struggling with life. I have also been involved in fundraising for DAFFODILS.
